

PMT-8 Models Shown

MPT Model Shown with Optional Canopy & Lectern

Portable Multi-Purpose Towers

- Portable, yet sturdy, solution for shooting game/practice/band video or for elevating coaches to observe/drill teams
- Rust-proof, heavy-duty aluminum frame and platform with 16 square feet of space
- Heavy-duty 16" diameter flat-free pneumatic swivel wheel casters (4) with brakes easily move across any surface and/or in any direction
- All aluminum maintenance-free roof overhangs 6" on all sides and can be custom powder-coated in your team's color
- Detachable aluminum ladder leads up to a hinged door, creating a safer access point
- Three models available with the following video heights to fit your video and filming needs: 8'-6", 12'-6" and 15'-0"
- Other options sold separately: video camera unipod; lectern with drawer

PMT-8 (8'-6" viewing height)	\$8,995.00
PMT-12 (12' viewing height)	\$12,995.00
PMT-15 (15' viewing height)	\$16,995.00
MPT-VCU (unipod only)	\$325.00
MPT-L (lectern only)	\$375.00

Multi-Purpose Tower

- Perfect for coaches, camera operators and even band conductors
- Sturdily constructed of a rust-proof, heavy-duty galvanized steel frame designed to be anchored on a concrete pad adjacent to your field or between multiple fields
- Lower and upper decks are fabricated of aluminum planking, offering over 36 sq. ft. of space on each level
- Galvanized steel frames and mesh side panels offer superior stability
- Detachable aluminum ladder leads up to a hinged door - safer access point
- Optional heavy duty vinyl canopy installs over removable aluminum frame
- Overall height without a canopy is 10' 8" and with a canopy it's 16' 3"
- Other options include: a video camera unipod and an aluminum lectern with drawer

MPT (without canopy)	\$16,995.00
MPT-C (canopy only)	\$1,295.00
MPT-VCU (unipod only)	\$325.00
MPT-L (lectern only)	\$375.00

Caravan Aluma Canopies

- Made completely of durable, weather-proof aluminum and set up in seconds
- Custom silkscreening available for an extra fee
- Convenient carry bag included

CAC-1010 (10' x 10')	\$795.00
CAC-1015 (10' x 15')	\$995.00
CAC-1020 (10' x 20')	\$1,295.00

Crowd Control Fencing

- Sturdier, more flexible temporary fencing option than existing barriers on the market
- Panels each measure 4' high x 8' wide with two extra welded supports for maximum stability
- Aluminum posts have open hinge design, which eliminates need for hardware and makes it easy to create corners or diagonal paths
- Mill finish standard for both panels and posts

CCF (fence panel)	\$75.00/linear foot
CCP (post)	\$75.00/ea.

Video Camera Unipod

- Stabilizes your video camera for clearer, more professional looking video
- Attaches to your existing bleacher deck and utilizes minimal square footage
- Telescopic tubing design allows for height adjustments while the included micro-swivel head permits panning action

VCU-MP	\$450.00

All-Purpose Carriers

- Reduces wear and tear on valuable equipment
- All-aluminum deck has a fluted, non-slip surface to help hold items securely
- Constructed of 3" welded aluminum beams
- Four 12" heavy-duty pneumatic wheel casters - 2 fixed, 2 swivel
- AC-S models feature removable aluminum side rails for added flexibility - remove for larger equipment or add for smaller items

AC-10A (5' x 10')	\$2,250.00
AC-8A (4' x 8')	\$1,950.00
AC-10AS (5' x 10' with side rails)	\$2,750.00
AC-8AS (4' x 8' with side rails)	\$2,350.00

AC-10AS Model Shown

Make transport faster and easier for crews while reducing wear and tear on valuable equipment with a quality AAE All-Purpose Carrier.

Portable Storage Cart

- Fabricated of fully welded aluminum and provides 36 cubic feet of storage space
- Swivel pneumatic wheels give you the flexibility to move it to all locations - whether your equipment needs are in your gymnasium or across campus on your football field
- Welded mesh bottom is designed to allow any odors and moisture to escape easily
- Lockable hasp feature keeps your balls and/or other equipment secure

PSC	\$2,295.00
------------	-------------------

Goal Post Carrier

- All-aluminum double-reinforced welded "A-Frame" for maximum stability and durability
- Dual cradle design is cushioned to support both the gooseneck and crossbar of most single offset football goals
- Four heavy-duty, swivel pneumatic tires
- Two forged galvanized eyebolts for easy towing and storage

GPC	\$5,500.00
------------	-------------------

Temporary Storage Compartment

- Constructed of a sturdy all-aluminum box frame, which permits a quick and easy setup
- Heavy double knife-coated vinyl cover encloses the frame on five sides (open bottom)
- Front flap secures with velcro
- Stainless steel flexible rods are inserted at the top of the frame to assist with drainage

TSC	\$650.00
