

Lacrosse Goal

- Combines the assets of both aluminum and steel - offering one of the most durable lacrosse goals available
- Goal is welded into one piece and made from 1.90" diameter structural aluminum extrusion
- Net Attachment System provides continuous positive net attachment along groundbars and goal mouth and eliminates the unsightly use of wrap-around tape or velcro
- Ground frame is made from two structurally-reinforced, steel flat bars that bolt together in the rear with a trapezoidal steel plate
- All steel components are vinyl-coated black
- All hardware is stainless steel
- Standard goal mouth is powder-coated orange; a white powder-coated goal mouth is available upon request at no additional charge

LG **\$1,695.00/pr.**

Lacrosse Nets

- Made from 4mm white knotless nylon
- White nylon tape border for greater strength and durability

LNP (4mm, white) **\$260.00/pr.**

Our vinyl-coated base provides rust protection and abrasion resistance for your turf or any flooring surface.

Lacrosse Target Goal

- Scaled down version of our Lacrosse Goal developed to help increase shooter accuracy
- Nominal dimensions 2'H x 2'W x 3'D
- Set up one, or many, for drills in practice
- Weighs only 30 lbs., so can be easily moved

LTG **\$475.00**

Rollaway Goal Wheels

- Perfect for goals moved on a daily basis - just tilt and roll
- 10" pneumatic tires mounted on 3/4" diameter stainless steel axle with all stainless hardware
- Stainless pull-pin allows wheel to be easily inserted or removed for storage

RW-LG (set of 4) **\$350.00**

Official Lacrosse Balls

- Made of durable rubber
- Meet NFHS and NCAA® specifications for outdoor play

Field Hockey Goals

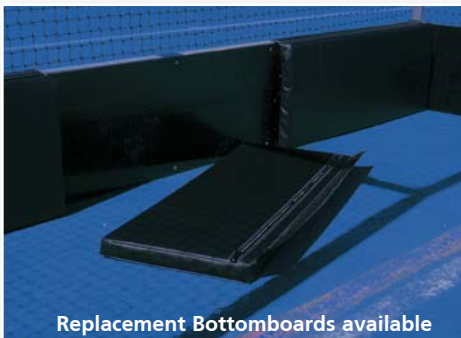

- Features our 2" square slotted structural aluminum extrusion with rounded outside safety corners
- Net Attachment System provides continuous positive net attachment and eliminates the unsightly use of wraparound tape or velcro
- Front goal mouth and rear frame are heli-arc welded into a one-piece construction and bolted together with welded sidebars for maximum strength and stability
- 18" high synthetic black bottomboards offer high impact resistance - won't crack or splinter
- Boards bolt to a welded, reinforced aluminum framework with all stainless steel hardware
- Goal mouth features a white powder-coated finish for minimal maintenance
- Pre-drilled to accept optional RW-FHG Rollaway Wheels

FHG **\$2,795.00/pr.**

International Field Hockey Goals

- Meets all International Field Hockey goal regulations
- Reinforced offset side stays w/ gussets and welded dual net attachment rings
- Features 2" square structural aluminum extrusion with rounded outside safety corners - standard mill finish for minimal maintenance (white powder-coating option available)
- Net Attachment System provides continuous positive net attachment and eliminates the unsightly use of wraparound tape or velcro
- Front goal mouth and rear frame are heli-arc welded into a one-piece construction and bolted together with welded sidebars for maximum strength and stability
- 18" high synthetic black bottomboards bolt to a welded, reinforced aluminum framework with all stainless steel hardware
- Pre-drilled to accept optional RW-FHG Rollaway Wheels

FHG-FIH **\$3,795.00/pr.**
FHG-FIH-W (w/ white powder-coating) **\$5,100.00/pr.**

Bottomboard Cushioning System

- Eliminates wear and tear on rearboards from those repetitive driving shots
- Shock absorbing 2" polyethylene encased in 18-ounce black vinyl cover with velcro flap for quick attachment and removal
- Six 4' long interchangeable pads, which are easy to carry and store, are included

BCS (set of 6) **\$795.00**

Field Hockey Nets

- Made of 2.5 mm twisted poly and woven into 1-1/2" sq. mesh
- Official size - 7' high, 12' wide, 4' deep
- Outdoor protective black coating applied for greater wear and durability
- Nets are sold in pairs only

FHN-1 **\$195.00/pr.**

Rollaway Goal Wheels

- Ideal for programs that move field hockey goals on a frequent basis - simply tilt and roll
- 10" pneumatic tires mounted on 3/4" diameter stainless steel axle with all stainless hardware
- Stainless pull-pin allows wheel to be easily inserted or removed for storage

RW-FHG (set of 4) **\$350.00**
