

Players' Sideline Shelter

- Semi-permanent, all-weather unit provides all-around protection from the elements to players on the sideline
- All-aluminum construction with nearly 600 weld points
- Overall Size: 8'H x 16'W x 7'D
- Tinted 1/4" thick plexi-glass on sides and back offers shelter while not obstructing view
- Anodized aluminum 12" seat and 10" backrest
- Elevated anodized aluminum shelf (24"D) has hinged cover with pneumatic device that opens to internal storage compartment, which accommodates approximately 45 sq.ft. of storage space for athletes' gear
- Removable 18oz. double knife-coated vinyl canopy top in team color
- Optional Trainer's Table (TT) measuring 32"H x 66"W x 24"D with 18oz. double knife-coated vinyl encased 2" thick foam pad that attaches to underside of shelter and is retractable (can be added to any unit)
- Engineered to withstand a sustained 75MPH wind load when anchored properly (see photos below)

PSS-15 (15')	\$11,995.00
PSS-15/TT (15' with trainer's table)	\$13,190.00
PSS-21 (21')	\$18,995.00
PSS-21/TT (21' with trainer's table)	\$20,190.00
PSS-TT (trainer's table only)	\$1,195.00

Trainer's Table (optional) designates area for athlete injuries to be addressed.

Storage compartment with hinged shelf cover, easily lifts up with pneumatic device.

Anchor Solution #1: Shown anchored to concrete pad abutting playing field.

Anchor Solution #2: Shown anchored to concrete pier at corners (4) below artificial turf.

Unibody Scorer's Table

- Designed to suit a need for a quality/cost effective single structured scorer's table with a movable attached bench w/ backrest
- Aluminum plank 12" wide seats and 10" wide backrests are anodized to protect uniforms and clothing
- 20" deep tabletop offers suitable space to accommodate writing pads and laptops
- Welded 1-1/4" x 2" rectangular aluminum bench supports with a UHMW glide feature allows bench to be moved back and forth
- Plank ends are sealed with aluminum caps and attached to supports with aluminum clips, stainless steel bolts and nuts
- Seats up to 5 people

UST-7.5/B

\$1,395.00

Donkeys: Portable Elevated Scoring Platforms

- Serve as scoring center/video stations/ officiating centers/broadcast booths depending on the sport or activity
- Fully portable, easy to move, roll and affords protection from wind, weather and sun
- Variety of models available to fit your needs and budget
- Many options offered to customize your Donkey - Penalty Benches; Removable Weather Screens; Banners; Hitch Attachments; Cushions and more
- See pages 4 and 5 for more details

DONKEY-1	\$13,995.00

PB-415/ICC Model Shown

IMPORTANT: Please consult your local code authority for compliance with your applicable codes.

Portable Bleachers

- Total height is under 30", so cumbersome features (i.e. double footboards, rear and side fencing, riser planking and even aisles) are not required - making our PB models lighter and even more portable
- Welded tier frames fabricated from structural steel angle with a wide base angle as a groundsill
- Steel crossbracing connects to adjacent frames with stainless steel bolts to increase rigidity
- All steel components are galvanized after fabrication and all assembly hardware is stainless steel
- Anodized aluminum plank seats (sealed with aluminum caps) protect clothing, while footboards are mill finish

- All planking (2" x 12") is fastened with aluminum clips, stainless steel bolts and nuts
- Ribbed texture on planks permits better traction
- Optional Rollaway Wheels available for even greater portability
- Meets current ICC regulations

PB-315/ICC (3 rows/15' long/30 seats)	\$1,895.00
PB-321/ICC (3 rows/21' long/42 seats)	\$2,495.00
PB-415/ICC (4 rows/15' long/40 seats)	\$2,495.00
PB-421/ICC (4 rows/21' long/56 seats)	\$2,995.00
RW-PB (rollaway wheels)	\$350.00/pr.

Rollaway Wheels

- Adds extreme portability to AAE bleachers
- Designed for off-road use only
- 12" pneumatic tires mounted on 3/4" diameter stainless steel axle with all stainless hardware
- Stainless pull-pin allows wheel to be easily inserted or removed for storage

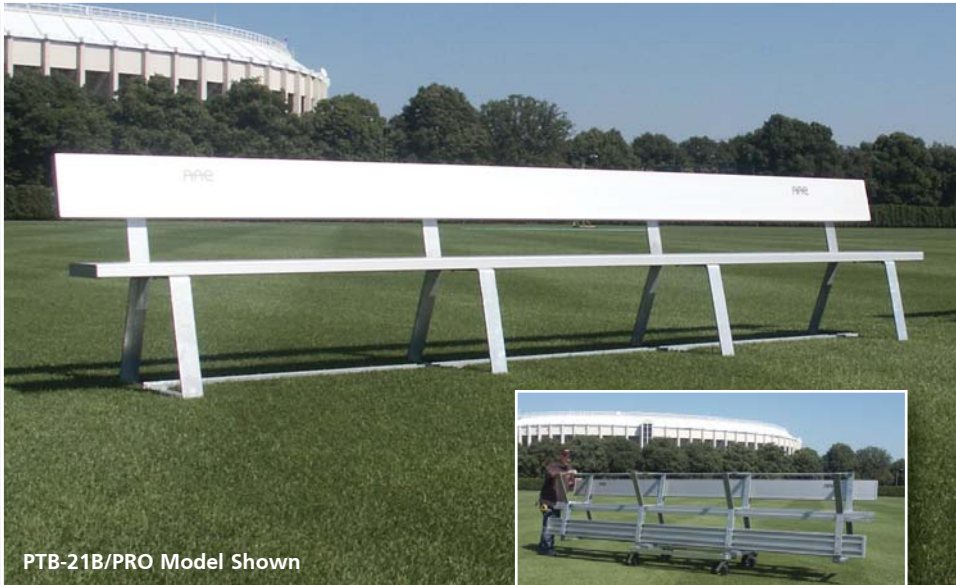

RW-PB	\$350.00/pr.

Pro Team Benches

- Scaled and designed specifically for football players and other athletes requiring a more spacious seating area
- Seats are 12" wide with 10" wide backrests fabricated of anodized aluminum planks sealed with aluminum caps
- Additional galvanized steel bars support and stabilize heavier weight loads
- Available in lengths of 7' 6", 15' or 21'
- Custom silkscreen in the color of your choice is also available for an additional cost
- Optional Pro Team Bench Cart (see inset photo) available for easy relocation of benches

PTB-7.5B/PRO (7'6" with backrest)	\$895.00
PTB-15B/PRO (15' with backrest)	\$1,050.00
PTB-21B/PRO (21' with backrest)	\$1,450.00
PTB-C/PRO (cart only)	\$475.00

Portable Team Benches with Shelf

- Designed for gear storage with an extended 20" deep shelf off the backrest - convert into a scorer's table by simply turning it around
- Aluminum plank 12" wide seats and 10" wide backrests are anodized to protect uniforms and clothing
- Bench supports are formed from rectangular steel bars, welded and then galvanized after fabrication
- Plank ends are sealed with aluminum caps and attached to supports with aluminum clips, stainless steel bolts and nuts
- Optional silkscreen on backrest with your school name/nickname in color of your choice

PTB-7.5B/S (7'6" with backrest/shelf)	\$895.00
PTB-15B/S (15' with backrest/shelf)	\$1,395.00
PTB-21B/S (21' with backrest/shelf)	\$1,795.00

Double-duty - use shelf for gear storage or turn the entire bench around to use shelf as a scorer's table.

Portable Team Benches

- Aluminum plank 10" wide seats and backrests (if applicable) are anodized to protect uniforms
- Bench supports are formed from rectangular steel bars, welded and then galvanized after fabrication
- Plank ends are sealed with aluminum caps and attached to supports with aluminum clips, stainless steel bolts and nuts
- Backrest models can be silkscreened with your school name/nickname in color of your choice

PTB-7.5 (7'6" without backrest)	\$345.00
